DUTCHLAND PLASTICS**

JANUARY 10, 2012 – Oostburg, WI – Dutchland Plastics has been awarded the Supplier Service Award from the McCue Corporation at its Annual Vendor Awards Program in Salem, MA. McCue is an international producer of decorative bumpers for shopping carts, shopping carts for kids, and parking lot shopping corrals.

“It is always an honor to be recognized by a partner for providing service,” said Mike DeHaai, Dutchland’s Vice President of Operations. “McCue is famous for both innovation and customer service. To be honored by them for exceptional quality and on-time delivery is truly special.”

Dutchland Plastics is a leading custom manufacturer of rotational and blow molded plastic products. Founded in 1967, today Dutchland Plastics provides product and services around the world. Dutchland Plastics is a private, family-owned business that is in its second generation of ownership.
